CELESTINA MARBLE ORB CHANDELIER

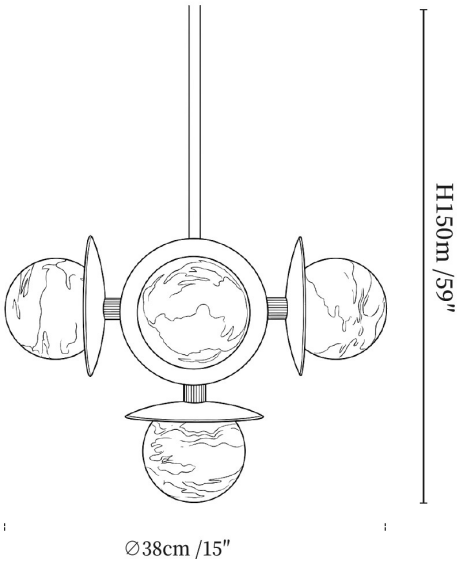

CELESTINA MARBLE ORB CHANDELIER

Elenorra

DESCRIPTION

*The **Celestina Marble Globe Chandelier** brings together the natural beauty of marble and the timeless sophistication of brass. Featuring thirteen beautifully crafted marble globes arranged across a sculptural brass framework, this statement chandelier creates an elegant interplay of light, texture and form.*
Each natural marble shade reveals unique veining and subtle tonal variations, softly diffusing the 3500K warm-white LEDs to create an inviting atmosphere. With its striking multi-level silhouette, Celestia makes a refined centrepiece for dining rooms, living spaces, stairwells and sophisticated hospitality interiors.
